Minutes from October's meeting were read, with no corrections.

Old Business:

Apple Fundraiser – decided that we will not be doing this fundraiser again, only made approximately \$1800. Discussed doing a raffle draw at the Christmas concert to try raise some more money. Will keep in touch through email

Turkey Dinner – Kelly will send a donation list to each class for parent teacher interviews, extras will go towards making a hamper for a family in the school. Betterment Society will provide the turkeys

Technology – decided on purchasing 5 ipad air's and cases, talk to Mr. VanDyk for more technology ideas.

Christmas Craft – something Christmas related this year, can hopefully set it up same day as Turkey Dinner

New Business:

Field Trips – Kelly looked into the cost of some overnight camps, would need to do more fundraising to afford it. Start doing piggyback trips maybe with the classes.

Lunch Program:

Make more money with homemade meals, cost approx \$1.50/kid for spaghetti, and \$3.90/kid for Kosters

Kelly S needs more help from parents with getting the meals together. Going to start asking 2 students from each class to come to the kitchen to deliver their lunches

Betterment Report:

Casino money should be in February of next quarter, will have approximately \$15,000
Would like to spend the money on new ovens and other kitchen supplies.

Treasurer's Report:

Opening balance of \$467.84 – wrote 5 cheques – new balance around \$1900
Need to make a policy to make people cover the cost of their NSF cheques
